

# Assurance

## **STATEMENT OF PRINCIPLE**

1. The pregnancy care center is an outreach ministry of Jesus Christ through His church. Therefore, the pregnancy care center, embodied in its volunteers, is committed to presenting the gospel of our Lord to women with crisis pregnancies – both in word and in deed.
2. The pregnancy care center is committed to providing its clients with accurate and complete information about both pre-natal development and abortion.
3. The pregnancy care center is committed to integrity in dealing with clients, earning their trust, and providing promised information and services. The pregnancy care center denounces any form of deception in its corporate advertising or individual conversations with its clients.
4. The pregnancy care center is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope, and plan constructively for themselves and their babies.
5. The pregnancy care center does not discriminate in providing services because of race, creed, color, national origin, age or marital status of its clients.
6. The pregnancy care center does not recommend, provide or refer for abortion or abortifacients.
7. The pregnancy care center offers assistance free of charge at all times.
8. The pregnancy care center is committed to creating awareness within the local community of the needs of pregnant women, and of the fact that abortion only compounds human need rather than resolving it.
9. The pregnancy care center does not recommend, provide or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor and physician.)
10. The pregnancy care center recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to the other life-saving alternatives. Centers are independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. Pregnancy care centers receive no payment of any kind from these agencies, do not enter into contractual relationships with them, and do not share combined office space. Adoption agencies are not established under the auspices of centers. Pregnancy care center neither initiate nor facilitate independent adoption, though they may refer for independent adoptions in states where it is legal.
