

Dear Friend:

Exciting plans are well underway for one of the most important evenings of the year for Assurance for Life. We hope you will join us for our banquet on **Monday, September 23rd**. You can expect great things including:

- **Dr. Christina Francis, our inspirational guest speaker**
As president of the American Association of Pro-Life Obstetricians and Gynecologists (AAPLOG), Dr. Francis is a practicing OBGYN who brings firsthand experience of the patient-driven care pregnancy resource centers like Assurance seek to emulate.
- Updates on God's accomplishments through our ministry over the last twelve months and where we sense He is leading our organization over the next year.
- The casting of a vision of Assurance that will lead us into our 40th year and beyond!
- We also invite you to join us at 5:30 before the banquet for a time of worship and prayer. We'll be praying for the clients who will walk through our doors in the next year. We believe that we can only carry out our mission in so far as we are living out God's mission in our own lives so we will worship the One who made us and makes this work possible.

As we embark into our 40th year in this life saving ministry, we've chosen this year's banquet theme from Psalm 107.20-21. It's a theme that will carry us through the next five years.

He sent out his word and healed them and delivered them from their destruction. Let them thank the Lord for his steadfast love, for his wondrous works to the children of man!
